OUR SOLUTIONS

**Here is what we are doing
with your donations.**

For nearly 100 years, the Burlington/West Burlington Area United Way has become an integral part of our community's fabric. It has touched the lives of countless people, providing them with essential support and tackling critical issues in health, education, self-sufficiency, and basic needs - always striving to address the most pressing challenges facing our community.

But there is still a lot of work to do.

Be a part of the next 100 years and help us create a future where every child has access to quality education, a community where everyone is supported to achieve self-sufficiency and mental health needs are recognized and validated.
